The image shows a sequence of eight light blue octagonal tiles containing the lowercase letters 'o', 'l', 'k', 'h', 'n', 'o', 'w', 'i'. Below this sequence is another row of eight similar tiles. The first three tiles in the second row contain the letters 'h', 'l', and 'n' written in a blue cursive font. Blue arrows indicate the mapping: 'o' from the first row points to 'h' in the second row; 'l' from the second tile points to 'l'; 'k' from the third tile points to 'l'; 'h' from the fourth tile points to 'h'; 'n' from the fifth tile points to 'n'; 'o' from the sixth tile points to an empty space; 'w' from the seventh tile points to an empty space; and 'i' from the eighth tile points to an empty space.
